Dear Race Supporter,

- School meals are the primary source of nutrition for more than 11,000 school children in Frederick County who are living at or below the poverty level.
- What do they do on the weekends without food?
- For many of these kids, school lunch on Friday is often their last full meal before returning to school Monday morning.
- **Blessings in a Backpack** provides food to over 1600 local children in 12 schools who might otherwise go hungry on the weekends.
- \$100 will feed a single child each weekend and over school breaks for an entire school year.
- 100% of money raised is used to purchase food to feed our local Frederick kids.

Help make this 2<sup>nd</sup> annual event an even bigger success than last year when we raised enough money to feed 200 of our local Frederick children. The event will start and finish on Thomas Johnson Drive. Visit the race website today [www.fredericktwilight8k.com](http://www.fredericktwilight8k.com)

Sponsoring this event will show the participants and the community your support for this worthwhile charity. Just select the number of children you can help while obtaining exposure for your business. Enter individually, as a team, or just come out and spend an evening of fun supporting this great local cause.

Please complete the sponsorship page and show your support today. If you have any questions, please feel free to email or call me.

Sincerely,

David J. Levine, D.P.M., C. Ped.  
Race Director, Frederick Summer Solstice Twilight 8K
